### **Work finished at Scheuring Road/Lawrence Drive roundabout**

*De Pere roundabout to open to all traffic by late afternoon*

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing the multilane roundabout under construction at the intersection of Scheuring Road and Lawrence Drive will open to all traffic by late afternoon on Monday, November 22.

Motorists have been able to travel through the intersection during construction, but movements were often limited forcing drivers to seek alternative routes. The roundabout is one of two on Scheuring Road under construction since July 26 as part of the first phase of the \$14.7 million Scheuring Road interchange reconstruction project. Last week a single-lane roundabout at Scheuring Road and Mid Valley and PDQ drives opened to traffic.

In March 2011, the Scheuring Road interchange at US 41 will close to traffic through October. The highway overpass will be demolished and rebuilt with roundabouts constructed at the interchange ramp terminals.
